

COUNCIL CHAMBERS -- CITY COUNCIL
CITY HALL -- CITY OF LODI
APRIL 1, 1940.

Pursuant to the adjournment taken from the regular meeting of March 20, 1940, the City Council of the City of Lodi met in adjourned regular session at 8:00 o'clock P.M. of Monday, April 1, 1940, Councilmen Clark, Graffigna, Spooner, Weihe and Mayor Steele present, none absent.

The Mayor announced that the purpose of this meeting, as stated in the adjournment above cited, was to hear the objections of L. E. Sherman and M. J. Seeley against the proposed cancellation of permits to operate and conduct camp grounds issued under Ordinance No. 248 and to consider the complaint filed by P.W.Loewen and others, alleging constant violation of the terms of this ordinance by these permittees.

Attorney Robert H. Rinn, representing Seeley, presented oral arguments in favor of his client.

A written petition signed by a majority of the property owners on the Lockeford Road, asking that these permits be revoked, was read at length by the Clerk, and Mr Reuben Rott, Attorney for Loewen pressed the accusations contained in the petition, stating that only three out of twenty three camp trailers in these camps were capable of being moved easily, the rest being attached to the ground.

Mr L. E. Sherman presented a written denial of the accusations and filed a petition bearing twenty-three names of persons stating that they desired the camp ground to remain.

At the order of the Mayor, the matter was ordered submitted, after Mr Glenn West, City Attorney, pointed out that the existing camp ground ordinance had no provision for cancellation of permits or of hearings to be had thereon.

Mr Rudolph Freuh, 225 Redwood Street, confessed that he had violated the provisions of the Zoning Ordinance by erecting a dwelling that protruded into the side-line of his lot, but asked that he be permitted to finish and to occupy the same. The Council failed to see that there were any extenuating circumstances as Mr Freuh had been notified by the Building Inspector that his building foundation forms were too near the side line of the lot before he had poured any concrete.

On motion of Councilman Weihe, the City Council then adjourned.

City Clerk.

The foregoing minutes of an adjourned meeting of the City Council of the City of Lodi held April 1, 1940, were read at a subsequent meeting of said City Council held April 3, 1940 and approved without correction.

MAYOR OF THE CITY OF LODI.

April 3, 1940.
